

WAYNE STATE UNIVERSITY
SCHOOL OF MEDICINE GRAND ROUNDS

Department of Neurology 8D UHC

JUNE 2010

NEUROLOGY GRAND ROUNDS SCHEDULE IS CURRENTLY AVAILABLE AT THIS LINK:

<http://events.wayne.edu/neurology>.

9:00am – 10:00am, Lecture

10:15 am – 12:00 Noon, Morbidity & Mortality Conference, June 11, 2010 **ONLY**

June 4, 2010

Graduating Residents

TOPIC: *“My Most Memorable Case”*

OBJECTIVE: To discuss the most memorable neurological case.

SUPPORT: *No Commercial Support*

LOCATION: *Harper University Hospital - Kresge Auditorium*

June 11, 2010

Csaba Juhasz, MD, PhD

Associate Professor of Pediatrics and Neurology
Wayne State University School of Medicine
PET Center, Children’s Hospital of Michigan
Detroit, MI

TOPIC: *“Functional Imaging of Brain Tumors”*

OBJECTIVE: 1. Review clinical applications of functional imaging techniques (with a particular focus on PET) in the diagnosis and management of primary and recurrent brain tumors. 2. Discuss new and emerging cellular and molecular imaging approaches in the evaluation of brain tumors.

SUPPORT: *No Commercial Support*

LOCATION: *Harper University Hospital - Kresge Auditorium*

June 18, 2010

Ganeshwaran Mochida, MD, MMSc

Staff Scientist, Division of Genetics, Children’s Hospital Boston
Instructor in Neurology, Harvard Medical School
Boston, MA

TOPIC: *“Diverse Mechanisms of Microcephaly: Insights from Human Genetic Research”*

OBJECTIVE: 1. Describe new research findings on genetic basis of microcephaly. 2. Demonstrate how research on genetic microcephaly provides new insights into the mechanisms of human brain development. 3. Discuss how advances in genetic research could affect clinical practice in pediatric neurology.

SUPPORT: *No Commercial Support*

LOCATION: *Harper University Hospital –Kresge Auditorium*

June 25, 2010

Donald Levine, MD

Professor of Medicine
Chief of Division of General Internal Medicine
Wayne State University School of Medicine
Detroit, MI

TOPIC: *“An Update on Infective Endocarditis and Its Effect on the Nervous System”*

OBJECTIVE: 1. Have an understanding of the recent epidemiology of infective endocarditis. 2. Recognize the new treatment difficulties associated with infective endocarditis. 3. Have an improved knowledge of the CNS complications of infective endocarditis.

SUPPORT: *No Commercial Support*

LOCATION: *John D. Dingell VA Medical Center Lower Level Auditorium*

Target Audience is: Neurologists, Neurosurgeons, Neuro-radiologist, Pediatricians, Psychiatrist, WSU/DMC Practicing Physicians, WSU/DMC Faculty, Fellows, House Officer, Medical Students, Nursing Staff, and Allied Health.

The Wayne State University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Wayne State University School of Medicine designates this educational activity for a maximum of 2.0 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
