

WAYNE STATE UNIVERSITY SCHOOL OF MEDICINE GRAND ROUNDS

Department of Neurology 8D UHC, November 2012

NEUROLOGY GRAND ROUNDS SCHEDULE IS AVAILABLE AT: <http://events.wayne.edu/neurology>.
8:30 am – 10:00am, Lecture

SPECIAL GRAND ROUNDS November 1, 2012

November 1, 2012

Omar Khan, MD

Professor and Interim Chair, Department of Neurology
Director, The Sastry Foundation Advanced Imaging Laboratory
Wayne State University School of Medicine, Detroit, MI

TOPIC:

“Investigating Ethnicity and Disease Biology: African-American Multiple Sclerosis”

OBJECTIVE:

1. To understand the prevalence and disease phenotype in African-Americans with MS. 2. To review the genetic determinants of disease prevalence and severity in African-Americans with MS in contrast to Caucasians with MS. 3. To review and discuss imaging determinants of CNS injury in African-Americans with MS. 4. To present the emerging immunologic concepts effector mechanism in African-Americans with MS and translating into therapeutic strategies.

SUPPORT:

No Commercial Support

LOCATION:

Harper University Hospital –Prus Auditorium

November 2, 2012

Teepu Siddique, MD

Les Turner ALS Foundation/Herbert C. Wenske Foundation
Professor Davee Department of Neurology and Clinical Neurosciences
Professor, Department of Cell and Molecular Biology, Division of Neuromuscular Medicine
Chicago, IL

TOPIC:

“The Developing Convergence in Neurodegeneration: The Case of ALS”

OBJECTIVE:

1. Understanding the multi-etiological nature of ALS. 2. Identify converging stream of pathology and mechanism of disease in ALS.

SUPPORT:

No Commercial Support

LOCATION:

Harper University Hospital Kresge Auditorium

November 9, 2012

Pratik Bhattacharya, MD

Assistant Professor, Department of Neurology: Stroke Program
Wayne State University School of Medicine, Detroit, MI

TOPIC:

“The Management of Carotid Stenosis: Contemporary Interpretations”

OBJECTIVE:

1. Differentiate the asymptomatic and symptomatic carotid plaque. 2. Describe the evolution of treatments for carotid stenosis. 3. Review and interpret findings of recent clinical trials. 4. Review the state of real world practice and complication rates.

SUPPORT:

No Commercial Support

LOCATION:

Harper University Hospital –Kresge Auditorium

November 16, 2012

Raman Sankar, MD, PhD

Professor of Neurology and Pediatrics
Chief of Pediatric Neurology
David Geffen School of Medicine at the University of California, Los Angeles, CA

TOPIC:

To Be Announced

OBJECTIVE:

SUPPORT:

No Commercial Support

LOCATION:

Harper University Hospital – Kresge Auditorium

November 23, 2012

CANCELLED: Happy Thanksgiving Holiday

November 30, 2012

Alexandros Tselis, MD, PhD

Professor of Neurology
Division of Neuroimmunology/Neurovirology
Wayne State University School of Medicine, Detroit, MI

TOPIC:

“Do Viruses Cause Multiple Sclerosis?”

OBJECTIVE:

To explore the evidence that viruses cause MS.

SUPPORT:

No Commercial Support

LOCATION:

Harper University Hospital –Kresge Auditorium

Target Audience: Neurologists, Neurosurgeons, Neuroradiologists, Pediatricians, Psychiatrists, WSU/DMC Practicing Physicians, WSU/DMC Faculty, Fellows, House Officer, Medical Students, Nursing Staff, and Allied Health. The Wayne State University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Wayne State University School of Medicine designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity
