WAYNE STATE UNIVERSITY SCHOOL OF MEDICINE GRAND ROUNDS Department of Neurology 8D UHC, November 2013

NEUROLOGY GRAND ROUNDS SCHEDULE IS AVAILABLE AT: <u>http://neurology.wayne.edu/neurology</u>.

8:30 am – 10:00am, Lecture	
November 1, 2013	Selim Benbadis, MD
	Professor of Neurology & Director of Epilepsy
	University of South Florida
	Tampa, FL
TOPIC:	"Psychogenic Seizures and Other Psychogenic Symptoms"
OBJECTIVE:	1. To review the diagnosis of psychogenic seizures. 2. To understand the prevalence and importance of psychogenic symptoms. 3. To understand how to differentiate intentional faking from unconscious production of symptoms. 4. To review the various psychiatric diagnoses underlying psychogenic symptoms. 5. To understand the basic principles of treatment for psychogenic symptoms.
SUPPORT:	No Commercial Support
LOCATION: November 8, 2013	Harper University Hospital –Kresge Auditorium Scott S. Zamvil, MD, PhD
November 0, 2015	Professor of Neurology
	Faculty Member, Program in Immunology University of California, San Francisco
	San Francisco, CA
TOPIC:	"Cooperation Between T Cells and B Cells: Lessons From NMO and EAE"
OBJECTIVE:	1. To characterize aquaporin 4 (AQP4)-reactive T cells in neuromyelitis optica
	(NMO) patients. 2. Present studies demonstrating the importance of cellular B lymphocyte function, separate from antibodies, in CNS autoimmunity.
	Tymphocyte Tunction, separate from antibodies, in CIVS autominumty.
SUPPORT: LOCATION:	No Commercial Support Harper University Hospital Kresge Auditorium
November 15, 2013	Leonard Calabrese, DO Professor of Modicing, Clausland Clinic Lerner
	Professor of Medicine, Cleveland Clinic Lerner College of Medicine of Case Western Reserve University
	Cleveland, OH
TOPIC:	"Is It CNS Vasculitis – Or Something Else?
OBJECTIVE:	1. To identify the diagnostic criteria and reflect on how they have changed in the past 25 years. 2. To appraise 7 heuristics of the diagnostic process aimed at minimizing
	diagnostic error. 3. Through case examples acquire skills to enhance the
	multidisciplinary approach to CNS vasculitis.
SUPPORT:	No Commercial Support
LOCATION: November 22, 2013	Harper University Hospital –Kresge Auditorium Steven Wolf, MD
1000cmbci 22, 2013	Director of Neurophysiology, St. Luke's-Roosevelt Hospital
	Director of Pediatric Epilepsy Co-Director of Epilepsy Unit, Beth Israel Medical Center
	New York, NY
TOPIC:	"Pediatric Epilepsy Surgery with Vascular Malformations"
OBJECTIVE:	Increase awareness of safety and efficacy or epilepsy surgery in epilepsy associated
	with vascular malformations and facilitate treatment options including surgery for those patients with intractable drug resistant epilepsy.
SUPPORT:	No Commercial Support
LOCATION: November 29, 2013	Harper University Hospital – Kresge Auditorium Thanksgiving Holiday (No Grand Rounds)
Target Audience: Neurologists Neurosurgeons Neuroradiologists Pediatricians Psychiatrists WSU/DMC Practicing Physicians WSU/DMC Faculty	

Target Audience: Neurologists, Neurosurgeons, Neuroradiologists, Pediatricians, Psychiatrists, WSU/DMC Practicing Physicians, WSU/DMC Faculty, Fellows, House Officer, Medical Students, Nursing Staff, and Allied Health. The Wayne State University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Wayne State University School of Medicine designates this live activity for a maximum of <u>1.5</u> AMA PRA Category 1 Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity
